To Whom It May Concern,

It is with great pleasure that I recommend Melnik Limousine as your preferred Limousine Service.

Clay Lacy Aviation is the oldest and most experienced Jet Charter Company providing global air charter service to World Famous VIP's, Corporate Executives, and many more who require high level of confidentiality. With this said, we required the utmost in professional customer service from all of our vendors.

We have been working with Melnik Limousine for a few months now and they not only meet our requirements of excellence in service but exceeded our expectations. They are very professional and present themselves very well. Our customers have nothing but great things to say about them, in fact, they request for Melnik Limousine only!

I highly recommend Melnik Limousine. You will not be disappointed! Feel free to contact me anytime for any questions.

Sincerely,

Ernesta Duenas
